

GoVeg App

GoVeg

It's a mobile app design for young people who are vegan, vegetarian or interested in exploring this lifestyle. The app help users discover vegan-friendly places, such as restaurants, bars, cafés, and snack spots, based on their current location or a location they choose to search. The app lives on smartphones and is designed for daily use, specially when the users are exploring new places.

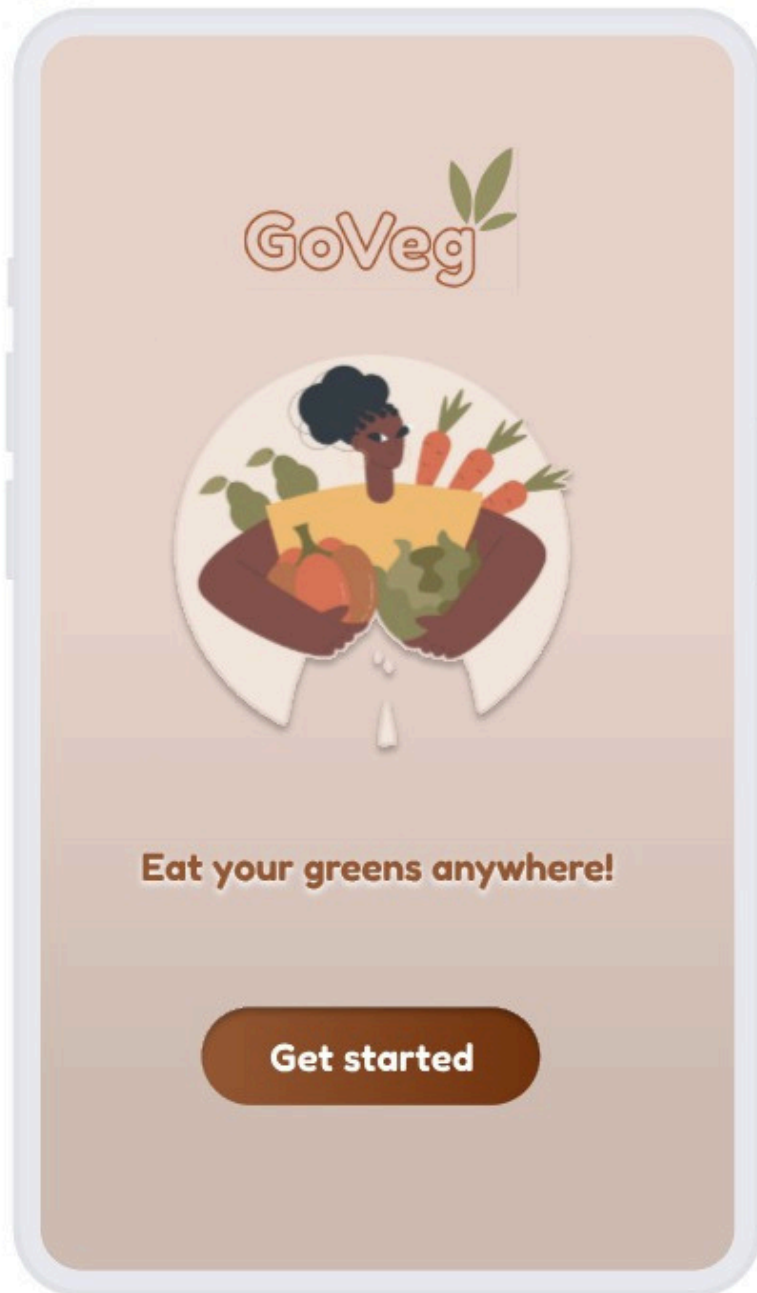

Eat your greens anywhere!

With **GoVeg** users can search for nearby vegan or vegetarian establishments, filtering places by type (restaurant, café, bar, etc.), and by whether they are fully vegan, vegetarian, or offer plant-based menu options. They can view and leave reviews, access essential info like address, phone number, website and see the location on a map.
